You will enter your credit card information to submit your application. **This is a preauthorization only – your credit card will not be charged unless your permit is approved.**

The screenshot shows the Oxcart application dashboard. It is divided into four main sections: 1. 'Submit Application' with a search bar for municipalities and an 'Apply for permit' button. 2. 'Draft Applications (not submitted)' with a table showing 'Municipality' (Village of Oxcart) and 'Effective Date' (3/12/19). 3. 'Pending Applications (submitted and awaiting approval)' with a table showing 'Municipality' (Village of Oxcart), 'Effective Date' (3/12/19), and 'Expiration Date' (3/13/19). 4. 'Approved Permits (90 days)' with a table showing 'Permit #', 'Municipality', 'Status', 'Effective Date', 'Expiration Date', 'Issued Date', and 'Payment'.

After you apply for a permit it will be in your dashboard under “Pending Permits” until it is reviewed by the issuing agency. Then it will appear in “Approved Permits” or “Denied Permits”.

Helpful features with an Oxcart account:

- **Profile** – With an Oxcart account your name and company information automatically populates on permit applications.
- **Vehicle Library** – Save your vehicles to speed up your applications.
- **Payment Information** – Store a credit card for easy checkout.
- **Message Center** – Easily contact municipalities with questions.
